

# What's the Buzz?

May 2017

**ALTRUSA INTERNATIONAL CLUB OF HAMILTON  
PO BOX 736  
HAMILTON 3240**

Margaret has been giving Nana hugs to a recently arrived granddaughter in Australia. Ali has also been on holiday in Australia but picked up a bad cold which was a bit of a downer. Do ask Bev about her recent weekend trip to the Chateau. Glen thoroughly enjoyed Amadeus in Auckland. Susan went to the Pop up Globe to see Much Ado About Nothing – it was great although quite cold! Lorraine W will be away for the next meeting as she will be holidaying in the Canary Islands with her Irish family. Have a wonderful time, Lorraine.

Thanks to those who assisted with the catering and serving/delivering of platters for the play at The Meteor and to those who have been doing liquor auditing. Kathryn, Lorraine E, Lorraine W, Anne and Diane attended a liquor auditing training update on 29 May.

Cheryl had surgery on her appendix just after our last meeting - all has gone well and she is planning to get back into some golf. Julia met an American traveller who didn't like her car! Thankfully she is all right but is in a loan car now for awhile.

As a Club we extend our sympathy to Diane on the passing of her son, Colin.

### Farewell

At our May meeting we farewelled Jane who has been an extremely committed and active member for 23 years. Lorraine Widdowson thanked Jane for her wonderful contribution to the Club including being an amazing Marilyn Monroe at Hamilton Conference! Anne presented Jane with a begonia. We wish Jane well and know she will keep in touch with us.

### Conference

We sent a thank you card to Tauranga Club. They emailed to say they appreciated us letting them know we had enjoyed Conference and that we had thought it had all gone well.

See the Budget Airline Crew below –  
*We're nice, for less price!*

Just a reminder if you still owe Kathryn money for the hats. Thanks.

**Movie Fundraiser**

This was great success. With ticket sales and the raffle, \$1565.91 was raised which covered the cost of the Carers' Weekend. 18 members contributed in one way or another so again thanks for a great team effort.
